NHS work including clinical consultations will take priority over Non-NHS services. The turnaround for completion of Non-NHS work is 21 working days. The practice will not commit to completion of work same day or the next day unless the "fast-track" scheme is agreed by management. We will always assist where ever possible but clinical priorities may prevent us from meeting requests for Fast track.

"FAST-TRACK" –only to be agreed in advance by management and dependent on clinical priorities

1. Next day "Fast –Track": For urgent requests requiring the next day service an additional fee of £30 is payable in advance.
2. 7 day "Fast-Track": For urgent requests requiring a 7 days service an additional fee of £15 is payable in advance.
